### **APACC Celebrates Ten Years of Service to the Asian Pacific American Businesses and Michigan Businesses**

APACC – Asian Pacific American Chamber of Commerce is hosting their tenth **Annual Dinner Celebration** on **Saturday, May 21, 2011**, from **6:00 p.m. – Midnight** at the **Royal Park Hotel**, located at 600 East University Drive in Rochester, Michigan. The theme of the gala is “The Decade of Distinction” celebrating APACC’s accomplishments of growth, partnership, and collaboration with the support of corporate sponsors and partner organizations. Over 500 top automotive and corporate executives from **Ford, GM, Chrysler, Honda, Toyota, Henry Ford Health Systems, Beaumont Hospital, Kroger, Comerica Bank, DTE Energy**, to name a few, Asian entrepreneurs, business professionals, and community leaders will be attending this sold out black-tie dinner affair.

One of the highlights of the evening will be a presentation by **State Senator Hoon-Yung Hopgood** of a proclamation from Michigan Governor Rick Snyder to acknowledge APACC’s achievements and support to the Michigan economy.

The keynote speaker will be **Dr. Frank McGeorge**, Medical Reporter for WDIV- TV and senior staff physician at the Henry Ford Hospital, Emergency Medicine, in Detroit, MI.

APACC will announce the **Corporation of the Year Award** to recognize a company that has demonstrated support of APACC’s mission and embraced the Asian Pacific American businesses and communities.

“We created festivities highlighting the past, present and future of APACC that our guests will enjoy to make their experience memorable.” said **Denise Yee Grim**, Executive Director of APACC. “We would not be here without our members, corporate sponsors, and the partnerships with the business organizations supporting our efforts and successes. We look forward to continue to serve the Asian and U.S. businesses for another decade in Michigan.”

For more information about APACC, please visit [www.apacc.net](http://www.apacc.net) or call 248-844-4100.

*APACC's mission is to facilitate business relationships among Asian and U.S. based companies and to promote the economic advancement of Asian Pacific Americans.*
