

APACC Annual Dinner Celebration May 5, 2007

The 2007 Annual Dinner Celebration Gala was a night to remember! A special heartfelt thanks to our Annual Dinner Chairperson, Ms. Brenda Schneider, and to the dinner planning committee for their time and contributions to this special event. The highlights of the event began as guests entered a beautiful tent filled with our sponsor's vehicles from DaimlerChrysler Financial Services and DaimlerChrysler Corporation, General Motors Corporation, Toyota Motors and Ford Motor Company. Each car display had magnificent gift basket where our guest registered for the drawing.

Our beautiful emcee was Ms. Colleen Chen from Newschannel 3 WWMT-TV, Kalamazoo who kept the audience entertained; Ms. Miyuki Mori, sang the National Anthem that touched the audience's soul and our keynote speaker, Ms. Mei-Chan Duan, director of IBM Global Procurement Operations & University Relations gave a motivating speech with humor and passion.

Congratulations to Comerica Bank, our 2007 Corporation of the Year recipient. For their advocacy and support to APACC and its mission and embracing Asian Pacific American (APA) businesses and communities. The evening ended with an exciting door prize drawing and the dance floor was swinging with dancers with the sounds of Far East Band until midnight!
